Encompass Health Rehabilitation Hospital of Daytona Beach now open in Florida

2025-07-15

The 50-bed inpatient rehabilitation hospital is now accepting patients.

BIRMINGHAM, Ala. and DAYTONA BEACH, Fla., July 15, 2025 /PRNewswire/ -- Today, Encompass Health, the nation's largest owner and operator of inpatient rehabilitation hospitals, announced the opening of Encompass Health Rehabilitation Hospital of Daytona Beach. The 50-bed inpatient rehabilitation hospital is located at 1952 N. Williamson Blvd. in Daytona Beach, Florida.

The hospital provides essential rehabilitative services that help patients recovering from strokes, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions regain function and independence. Patients receive a minimum of three hours of intensive therapy five days each week, frequent physician visits and 24-hour nursing care.

Hospital amenities include all private patient rooms, a spacious therapy gym featuring advanced rehabilitation technologies, an activities of daily living suite, in-house dialysis suite, therapy courtyard, dining room, in-house pharmacy and dayroom areas. An interdisciplinary team of highly specialized nurses, therapists and physicians provide physical, occupational and speech therapies to restore functional ability and quality of life.

"The community excitement and support for this hospital has been incredible," said Lori Bedard, president of Encompass Health's Southeast region. "It is a privilege to now be in Daytona Beach, serving patients in this community close to home."

Encompass Health Daytona Beach is Encompass Health's 169th inpatient rehabilitation hospital nationwide and its 23rd location in Florida. For more information about the hospital's services, visit encompasshealth.com/locations/daytona-beach-rehab.
