Encompass Health and Shannon Health to form joint venture for new inpatient rehabilitation hospital in San Angelo, Texas

1/8/2020

BIRMINGHAM, Ala. and SAN ANGELO, Texas, Jan. 8, 2020 /PRNewswire/ -- Birmingham, Ala.-based Encompass Health Corp. (NYSE: EHC) and San Angelo, Texas-based Shannon Health today announced plans to form a joint venture for a new, 40-bed, freestanding inpatient rehabilitation hospital in San Angelo, Texas.

The hospital is being constructed by the Shannon West Texas Memorial Hospital Trust, the foundation arm of Shannon Health, and will be leased to the joint venture between Encompass Health and Shannon Health. This hospital will replace Shannon Medical Center's 14-bed rehabilitation unit, which has been providing rehabilitative care to patients since 1988.

"We are excited to be working with the team at Shannon Health to meet the growing need for rehabilitation services in the San Angelo community," said Frank Brown, president of Encompass Health's southwest region. "Under our joint venture, we'll continue providing the excellent rehabilitative care established by Shannon in a new space specifically designed for rehabilitation patients."

Included in the hospital will be a spacious therapy gym, advanced rehabilitation technologies, an activities of daily living suite, cafeteria and dining room, pharmacy and courtyard.

It will be located on approximately 7.7 acres along the north side of the Appaloosa Trail west of the intersection with Farm-to-Market Road 2288 in San Angelo. The joint venture plans to start providing patient care in the new hospital beginning spring 2021.

"We have great pride at Shannon in providing high quality inpatient rehabilitation services for our patients and their

families for more than 30 years," said Shane Plymell, CEO and President of Shannon. "As our region continues to see tremendous growth, the healthcare needs of our population will continue to evolve. Encompass Health is a respected leader in this industry, and we are excited to partner with their expertise and expand our capability to serve the needs of more patients here in the Concho Valley. Our continuing mission is to provide patients an exceptional experience along with the best possible care."

Complementing local acute care services, the hospital will care for patients recovering from a variety of debilitating illnesses and injuries including strokes and other neurological disorders, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions. It offers physical, occupational and speech therapies as well as 24-hour nursing care that aim to restore functional ability and quality of life.
