Encompass Health announces opening of Encompass Health Rehabilitation Hospital of Katy in Texas

9/9/2019

BIRMINGHAM, Ala., Sept. 9, 2019 /PRNewswire/ -- Encompass Health Corp. (NYSE: EHC) announces the opening of its 133rd inpatient rehabilitation hospital, Encompass Health Rehabilitation Hospital of Katy.

Encompass Health Rehabilitation Hospital of Katy, located at 23331 Grand Reserve Drive in Katy, a suburb of Houston, Texas, welcomed its first patient this morning. The freestanding inpatient rehabilitation hospital includes 40 private patient rooms, a spacious therapy gym featuring advanced technologies, a four-chair dialysis suite, an activities of daily living suite, courtyard, dining room and dayroom areas. Care will be provided by highly specialized nurses, therapists and physicians.

Complementing local acute care services, the hospital will care for patients overcoming debilitating illnesses and injuries including strokes and other neurological disorders, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions. It offers physical, occupational and speech therapies as well as 24-hour nursing care that aim to restore functional ability and quality of life.

"We're excited to bring our physical rehabilitative services to Katy through this new, state-of-the-art hospital," said Barb Jacobsmeyer, executive vice president and president of inpatient hospitals for Encompass Health. "We look forward to working with providers in the community to deliver the high-quality, connected care that will help our patients reach superior outcomes and return to their families and communities at their highest levels of independence."

Encompass Health, one of the nation's largest providers of integrative healthcare services, currently operates 24 inpatient rehabilitation hospitals in addition to 52 home health and 11 hospice locations in Texas.
