julia.monter@texascapitalbank.com**TEXAS CAPITAL BANCSHARES, INC. ANNOUNCES FOURTH QUARTER AND FULL YEAR 2023 RESULTS**

Fourth quarter 2023 net income of \$20.2 million and net income available to common stockholders of \$15.8 million, or \$0.33 per diluted share

Book Value and Tangible Book Value⁽¹⁾ per share both increased 6.1%, reaching record levels, after giving effect to the repurchase of \$44.8 million in shares

Capital ratios continue to be strong, including 12.6% CET1 and 17.1% Total Capital

DALLAS - January 18, 2024 - Texas Capital Bancshares, Inc. (NASDAQ: TCBI), the parent company of Texas Capital Bank, announced operating results for the fourth quarter and full year of 2023.

Net income available to common stockholders was \$15.8 million, or \$0.33 per diluted share, for the fourth quarter of 2023, compared to \$57.4 million, or \$1.18 per diluted share, for the third quarter of 2023 and \$212.9 million, or \$4.23 per diluted share, for the fourth quarter of 2022. The fourth quarter of 2023 included Federal Deposit Insurance Corporation ("FDIC") special assessment expense of \$19.9 million (\$0.32 per diluted share).

"The firm continued to execute on its strategic plan to deliver something unique and differentiated for our clients in the midst of tremendous industry pressure in 2023," said Rob C. Holmes, President and CEO. "Continued client adoption of our broad platform coupled with significant structural improvements in our operating model and near record levels of capital and liquidity provide the foundation for long-term value creation."

FOURTH QUARTER 2023 COMPARED TO THIRD QUARTER 2023

For the fourth quarter of 2023, net income available to common stockholders was \$15.8 million, or \$0.33 per diluted share, compared to \$57.4 million, or \$1.18 per diluted share, for the third quarter of 2023.

Provision for credit losses for the fourth quarter of 2023 was \$19.0 million, compared to \$18.0 million for the third quarter of 2023. The \$19.0 million provision for credit losses recorded in the fourth quarter of 2023 resulted primarily from increases in criticized and non-accrual loans, as well as \$13.8 million in net charge-offs.

Net interest income was \$214.7 million for the fourth quarter of 2023, compared to \$232.1 million for the third quarter of 2023. The decrease in net interest income was primarily due to a decrease in loans held for investment (“LHI”), mortgage finance yields, as well as increases in funding costs and average interest-bearing liabilities. Net interest margin for the fourth quarter of 2023 was 2.93%, a decrease of 20 basis points from the third quarter of 2023. LHI, excluding mortgage finance, yields increased 7 basis points from the third quarter of 2023 and LHI, mortgage finance yields decreased 152 basis points from the third quarter of 2023. Total cost of deposits was 2.82% for the fourth quarter of 2023, a 20 basis point increase from the third quarter of 2023.

Non-interest income for the fourth quarter of 2023 decreased \$15.7 million, or 34%, compared to the third quarter of 2023, primarily due to a decrease in investment banking and trading income.

Non-interest expense for the fourth quarter of 2023 increased \$21.5 million, or 12%, compared to the third quarter of 2023, primarily due to an increase in FDIC insurance assessment expense, which included \$19.9 million in special assessment expense recorded in the fourth quarter of 2023.

FOURTH QUARTER 2023 COMPARED TO FOURTH QUARTER 2022

Net income available to common stockholders was \$15.8 million, or \$0.33 per diluted share, for the fourth quarter of 2023, compared to \$212.9 million, or \$4.23 per diluted share, for the fourth quarter of 2022.

The fourth quarter of 2023 included a \$19.0 million provision for credit losses, reflecting increases in criticized and non-accrual loans and net charge-offs of \$13.8 million, compared to a \$34.0 million provision for credit losses for the fourth quarter of 2022.

Net interest income decreased to \$214.7 million for the fourth quarter of 2023, compared to \$247.6 million for the fourth quarter of 2022, primarily due to an increase in funding costs and a decrease in average earning assets, partially offset by an increase in yields on average earning assets. Net interest margin decreased 33 basis points to 2.93% for the fourth quarter of 2023, as compared to the fourth quarter of 2022. LHI, excluding mortgage finance, yields increased 139 basis points compared to the fourth quarter of 2022 and LHI, mortgage finance yields decreased 293 basis points from the fourth quarter of 2022. Total cost of deposits increased 129 basis points compared to the fourth quarter of 2022.

Non-interest income for the fourth quarter of 2023 decreased \$246.5 million, or 89%, compared to the fourth quarter of 2022. The decrease was primarily due to a non-recurring \$248.5 million gain related to the sale of our premium finance subsidiary recorded in the fourth quarter of 2022.

Non-interest expense for the fourth quarter of 2023 decreased \$11.7 million, or 5%, compared to the fourth quarter of 2022, primarily due to decreases in occupancy, marketing, legal and professional and other expenses, partially offset by an increase in FDIC insurance assessment expense, resulting from the FDIC special assessment described above. The fourth quarter of 2022 included \$13.0 million in legal and professional expense related to the sale of our premium finance subsidiary, \$9.8 million in restructuring reserves, primarily related to occupancy expense, and \$8.0 million in charitable contributions recorded in other non-interest expense.

CREDIT QUALITY

Net charge-offs of \$13.8 million were recorded during the fourth quarter of 2023, compared to net charge-offs of \$8.9 million and \$15.0 million during the third quarter of 2023 and the fourth quarter of 2022, respectively. Criticized loans totaled \$738.2 million at December 31, 2023, compared to \$677.4 million at September 30, 2023 and \$513.2 million at December 31, 2022. Non-accrual LHI totaled \$81.4 million at December 31, 2023, compared to \$63.1 million at September 30, 2023 and \$48.3 million at December 31, 2022. The ratio of non-accrual LHI to total LHI for the fourth quarter of 2023 was 0.40%, compared to 0.31% for the third quarter of 2023 and 0.25% for the fourth quarter of 2022. The ratio of total allowance for credit losses to total LHI was 1.46% at December 31, 2023, compared to 1.41% and 1.43% at September 30, 2023 and December 31, 2022, respectively.

REGULATORY RATIOS AND CAPITAL

All regulatory ratios continue to be in excess of “well capitalized” requirements as of December 31, 2023. Our CET1, tier 1 capital, total capital and leverage ratios were 12.6%, 14.2%, 17.1% and 12.2%, respectively, at December 31, 2023, compared to 12.7%, 14.3%, 17.1% and 12.1%, respectively, at September 30, 2023 and 13.0%, 14.7%, 17.7% and 11.5%, respectively, at December 31, 2022. At December 31, 2023, our ratio of tangible common equity to total tangible assets was 10.2%, compared to 9.4% at September 30, 2023 and 9.7% at December 31, 2022.

During the fourth quarter of 2023, the Company repurchased 809,623 shares of its common stock for an aggregate purchase price, including excise tax expense, of \$44.8 million, at a weighted average price of \$54.90 per share. On January 17, 2024, the

Company's board of directors authorized a new share repurchase program under which the Company may repurchase up to \$150.0 million in shares of its outstanding common stock through January 31, 2025. Remaining repurchase authorization under the January 18, 2023 share repurchase program was terminated upon authorization of this new program.

About Texas Capital Bancshares, Inc.

Texas Capital Bancshares, Inc. (NASDAQ: TCBI), a member of the Russell 2000 Index and the S&P MidCap 400, is the holding company of Texas Capital Bank, a full-service financial services firm that delivers customized solutions to businesses, entrepreneurs and individual customers. Founded in 1998, the firm is headquartered in Dallas with offices in Austin, Houston, San Antonio, and Fort Worth, and has built a network of clients across the country. With the ability to service clients through their entire lifecycles, Texas Capital Bank has established commercial banking, consumer banking, investment banking and wealth management capabilities.

Forward Looking Statements

This communication contains "forward-looking statements" within the meaning of and pursuant to the Private Securities Litigation Reform Act of 1995 regarding, among other things, TCBI's financial condition, results of operations, business plans and future performance. These statements are not historical in nature and may often be identified by the use of words such as "believes," "projects," "expects," "may," "estimates," "should," "plans," "targets," "intends" "could," "would," "anticipates," "potential," "confident," "optimistic" or the negative thereof, or other variations thereon, or comparable terminology, or by discussions of strategy, objectives, estimates, trends, guidance, expectations and future plans.

Because forward-looking statements relate to future results and occurrences, they are subject to inherent and various uncertainties, risks, and changes in circumstances that are difficult to predict, may change over time, are based on management's expectations and assumptions at the time the statements are made and are not guarantees of future results. Numerous risks and other factors, many of which are beyond management's control, could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. While there can be no assurance that any list of risks is complete, important risks and other factors that could cause actual results to differ materially from those contemplated by forward-looking statements include, but are not limited to: economic or business conditions in Texas, the United States or globally that impact TCBI or its customers; negative credit quality developments arising from the foregoing or other factors; TCBI's ability to effectively manage its liquidity and maintain adequate regulatory capital to support its businesses; TCBI's ability to pursue and execute upon growth plans, whether as a function of capital, liquidity or other limitations; TCBI's ability to successfully execute its business strategy, including developing and executing new lines of business and new products and services; the extensive regulations to which TCBI is subject and its ability to comply with applicable governmental regulations, including legislative and regulatory changes; TCBI's ability to effectively manage information technology systems, including third party vendors, cyber or data privacy incidents or other failures, disruptions or security breaches; elevated or further changes in interest rates, including the impact of interest rates on TCBI's securities portfolio and funding costs, as well as related balance sheet implications stemming from the fair value of our assets and liabilities; the effectiveness of TCBI's risk management processes strategies and monitoring; fluctuations in commercial and residential real estate values, especially as they relate to the value of collateral supporting TCBI's loans; the failure to identify, attract and retain key personnel and other employees; increased or expanded competition from banks and other financial service providers in TCBI's markets; adverse developments in the banking industry and the potential impact of such developments on customer confidence, liquidity and regulatory responses to these developments, including in the context of regulatory examinations and related findings and actions; negative press and social media attention with respect to the banking industry or TCBI, in particular; claims, litigation or regulatory investigations and actions that TCBI may become subject to; legislative and regulatory changes; severe weather, natural disasters, climate change, acts of war, terrorism, global conflict (including those already reported by the media, as well as others that may arise), or other external events, as well as related legislative and regulatory initiatives; and the risks and factors more fully described in TCBI's most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and other documents and filings with the SEC. The information contained in this communication speaks only as of its date. Except to the extent required by applicable law or regulation, we disclaim any obligation to update such factors or to publicly announce the results of any revisions to any of the forward-looking statements included herein to reflect future events or developments.
