About Sachem Capital Corp.

Sachem is a mortgage REIT that specializes in originating, underwriting, funding, servicing, and managing a portfolio of loans secured by first mortgages on real property. It offers short-term (i.e., one to three years), secured, nonbanking loans to real estate investors to fund their acquisition, renovation, development, rehabilitation, or improvement of properties. The Company's primary underwriting criteria is a conservative loan to value ratio. The properties securing the loans are generally classified as residential or commercial real estate and, typically, are held for resale or investment. Loans are secured by mortgage liens on real estate and often are personally guaranteed by the principal(s) of the borrower. The Company also makes opportunistic real estate purchases apart from its lending activities.
