

FY2025 First Quarter Earnings Call

Safe Harbor Statement

This release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding expectations for growth and the Company's bitcoin holdings, and other statements regarding the Company's expectations, beliefs, plans, intentions, and strategies. The Company has tried to identify these forward-looking statements by using words such as "expect," "anticipate," "believe," "could," "should," "estimate," "intend," "may," "will," "plan," "goal," and similar terms and phrases, but such words, terms, and phrases are not the exclusive means of identifying such statements. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our business, financial condition, and results of operations. Forward-looking statements involve known and unknown risks, uncertainties, and other important factors that may cause our actual results, performance, or achievements to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements, including, but not limited to: the success of our bitcoin mining activities; the risk that the electrical power available to our facilities does not increase as expected; closing on acquisitions; the volatility of bitcoin value and energy prices; disruptions in the crypto asset markets; market perception of the Company's business and the crypto asset markets generally; increasing difficulty rates for bitcoin mining; bitcoin halving; new or additional governmental regulation; the anticipated delivery dates of new miners; the ability to successfully import and deploy new miners and other mining equipment; the dependency on utility rate structures and government incentive programs; dependency on third-party power providers for expansion efforts; the ability to successfully integrate newly acquired operations; the risk that future revenue growth may not be realized; the impact of global pandemics (including COVID-19) and inflation on logistics and shipping; security and cybersecurity threats and hacks; and other risks described in the Company's prior press releases and in its filings with the Securities and Exchange Commission (SEC), including under the heading "Risk Factors" in the Company's Annual Report on Form 10-K and any subsequent filings with the SEC. The forward-looking statements in this release are inherently uncertain, and investors are cautioned not to unduly rely upon these statements. We undertake no obligation to revise or update these forward-looking statements or any of the foregoing factors, except as expressly required by applicable law.
