Oil Pipeline Tariff Filing

Ms. Debbie-Anne A. Reese
Acting Secretary
Federal Energy Regulatory Commission
888 First Street NE
Washington, D.C. 20426

Re: *Paline Pipeline Company, LLC*, Docket No. IS24-____-000
Tariff Indexing for July 1, 2024 to June 30, 2025

Dear Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act (“ICA”) and the Rules and Regulations of the Federal Energy Regulatory Commission (“FERC” or the “Commission”), in particular Sections 342.3 (Indexing), 18 C.F.R. §§ 342.3 (2023), Paline Pipeline Company, LLC (“Paline”) submits for filing the following tariffs, to be effective July 1, 2024:

FERC No. 1.19.0, canceling FERC No. 1.18.0 (Docket No. IS23-546)
FERC No. 2.19.0, canceling FERC No. 2.17.0 (Docket No. IS23-546)¹

As marked in the enclosed proposed tariffs, and as illustrated on Schedule A hereto, the rates are modified in accordance with the tariff rate indexing provisions of 18 C.F.R. § 342.3. Each of the rates are equal to the corresponding new ceiling level calculated in accordance with 18 C.F.R. § 342.3(d) using the index multiplier of 1.012647 set by the Commission on May 15, 2024 in Docket No. RM93-11-000 for the period from July 1, 2024 through June 30, 2025,² with the exception of the volume incentive rate in FERC No. 2.19.0, which is below the new ceiling level.

¹ Paline filed FERC No. 2.18.0 in Docket No. IS24-262-000 on April 30, 2024, and then withdrew the same on May 1, 2024. In accordance with 18 C.F.R. § 341.13(c), that FERC tariff number may not be used again.

² See *Revisions to Oil Pipeline Regulations Pursuant to the Energy Policy Act of 1992*, 187 FERC ¶ 61,077, Docket No. RM93-11-000 (2024) (Notice of Annual Change in Producer Price Index for Finished Goods).
