About Asanko Gold Inc.

Asanko’s vision is to become a mid-tier gold mining company that maximizes value for all its stakeholders. The Company’s flagship project is the multi-million ounce Asanko Gold Mine located in Ghana, West Africa. The mine is being developed in phases. Phase 1 commenced gold production in January 2016 and declared commercial production on April 1, 2016. Ramp-up to steady-state production of 190,000 ounces per annum is expected in Q2 2016.

Asanko is managed by highly skilled and successful technical, operational and financial professionals. The Company is strongly committed to the highest standards for environmental management, social responsibility, and health and safety for its employees and neighbouring communities.
