NEWS RELEASE

Notice regarding recent trading activity

9/13/2013

RENO, NEVADA--(Marketwired - Sept. 13, 2013) - Western Lithium USA Corporation (the "Company" or "Western Lithium") (TSX:WLC)(OTCQX:WLCDF) is responding to a request from the Investment Industry Regulatory Organization of Canada (IIROC) on behalf of the Toronto Stock Exchange (TSX) following recent trading activity. The Company is not aware of any circumstances that could reasonably be expected to justify the recent trading activity. The Company continues to pursue ongoing corporate development initiatives and funding opportunities, particularly in relation to the development of its King's Valley Project. However, at this time none of these initiatives and opportunities have sufficiently advanced to a stage that would warrant public disclosure. The Company's policy is not to comment on rumors or speculation and accordingly, does not intend to comment further.

About Western Lithium

Western Lithium is developing the Kings Valley, Nevada lithium deposit into a strategic, scalable and reliable sources of high quality lithium carbonate. The Company is positioning itself as a major U.S.-based supplier to support the rising global demand for lithium carbonate that is expected from the increased use of hybrid/electric vehicles.
