Innovex is pleased to announce the appointment of Erik Hoover to its Board of Directors.

Houston, TX (April 13, 2023) - Innovex Downhole Solutions, Inc. (“Innovex”) - a leading provider of downhole solutions for the oil and gas industry - announced today that it has appointed Erik Hoover to its Board of Directors.

Innovex is pleased to announce the appointment of Erik Hoover to its Board of Directors. Adam Anderson, Innovex’s Chief Executive Officer, commented; “I’m excited to have Erik on the Innovex Board of Directors. Erik’s broad knowledge of the E&P industry brings the voice of our customer into the board room and enables us to make better strategic decisions.” Erik is President & Chief Operating Officer at VTX Energy Partners.

About Innovex:

Innovex designs, manufactures, and installs mission-critical drilling & deployment, well construction, completion, production, and fishing & intervention solutions to support upstream onshore and offshore activities worldwide. Innovex combines best-in-class engineering expertise with a unique blend of conventional, innovative, and proprietary technologies including WearSox® deepwater centralization products, SwivelMASTER® deployment technology, and dissolvable frac plugs, QCI artificial lift technologies, and a full suite of fishing tools. The company is headquartered in Houston, Texas with sales, operations and service locations throughout North America, Latin America, Europe, the Middle East, and Asia.
