This is a free translation into English of the statutory auditors' report issued in French and is provided solely for the convenience of English-speaking users. This report should be read in conjunction with, and construed in accordance with, French law and professional standards applicable in France

To the VusionGroup Shareholders' Meeting,

In our capacity as Statutory Auditors of your Company and pursuant to the procedures provided for in Article L.22-10-62 of the French Commercial Code (*code de commerce*) concerning share capital decreases by cancellation of shares purchased, we hereby present our report on our assessment of the reasons for and the terms and conditions of the proposed share capital decrease.

Your Board of Directors asks that you delegate to it, for a period of 24 months commencing the date of this Shareholders' Meeting, all necessary powers to cancel, on one or more occasions and up to a maximum of 10% of its share capital by 24-month period, the shares purchased by the Company pursuant to the authorization to purchase its own shares, as part of the provisions of the aforementioned article.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to

this engagement. These procedures consisted in verifying the fairness of the reasons for and the terms and conditions of the proposed share capital decrease, which does not undermine shareholder equality.

We have no comments to make on the reasons for or the terms and conditions of the proposed share capital decrease.
