Pitney Bowes to Showcase Innovative Legal Solutions at 2013 ALA Conference

STAMFORD, Conn., April 12, 2013 - Pitney Bowes Legal Solutions, the leading provider of facilities and data management for the legal industry and subsidiary of Pitney Bowes Inc. (NYSE:PBI), will showcase its full range of legal solutions at the 2013 Association of Legal Administrators (ALA) Conference at the Gaylord National Resort, National Harbor, MD, April 14-17.

“The legal industry continues to evolve and we are pleased to be out front, leading the way with comprehensive legal solutions that deliver enhanced value, control and flexibility to our clients,” said Stephen D. Whetstone, Esq., vice president and leader of Pitney Bowes Legal Solutions. “With more than three decades of experience working with top law firms, we combine the latest technology, innovative processes and practices, and highly-trained associates with a national network of data and off-site support centers to help law firms improve their operations and grow their bottom line. Our BestSite™ platform allows clients to access the right solution, at the right location and price, for their growing operational and data management needs.”

On Tuesday, April 16, in the education session titled —***Thinking as ONE, Operating as ONE: Establishing Efficiencies Across Your Multi-Location Firm*** — Whetstone will share insight on how firms can build uniform processes and standardize technology across multiple locations to enhance efficiencies and improve operations. The session will be held at 9:30am in Chesapeake D-F.
