

Pitney Bowes Again Named to the Forbes Magazine List of “Best Large Employers 2017”

STAMFORD, Conn., May 17, 2017 - Pitney Bowes Inc. (NYSE:PBI), a global technology company that provides innovative products and solutions that power commerce, has been named for the second consecutive year to the *Forbes* list of America’s Best Large Employers 2017.

“Our culture of innovation is focused on our clients and it is a key differentiator for Pitney Bowes,” said Johnna Torsone, EVP and Chief Human Resources Officer, Pitney Bowes. “Because we are in the midst of a digital transformation driven by the passion of our employees, we are especially honored by this recognition from *Forbes*.”

Forbes chose the 500 employers on the Forbes “Best Large Employers 2017” list based on the results of an independent survey conducted among 30,000 American employees working at large companies and institutions (headcount of 5,000 or more). Employees responded anonymously online without the involvement of their employer. Respondents included in this sample are representative of the U.S. workforce by gender, age, region, education, and ethnicity.
