

## Everest Insurance® Announces ZERO® 2.0 Release

May 30, 2018

HAMILTON, Bermuda--(BUSINESS WIRE)--May 30, 2018-- Everest Re Group, Ltd. (NYSE:RE) announced today the release of ZERO® 2.0, a state of the art, real-time sharing platform that empowers employees to be active members of their company's safety program. This enhanced version features many upgrades; including a comprehensive dashboard, live-chat capabilities, bulletin board updates, learning library access, severity alerts, and advanced analytics.

ZERO® enriches the safety environment for its client companies while helping organizations lower potential claims-related costs and streamline operations by cultivating and deploying a modern era communication tool to promote and maintain a safety-driven community. Its easy-to-use, interactive features allow members to play a part in reducing workplace hazards, communicating seamlessly in real time, and taking ownership of company safety.

The platform also encourages users to share ideas, identify opportunities for improvement, alert others in their community to potential risks, and promote safety best practices.

Jonathan Zaffino, President and CEO of Everest Insurance® commented, "We are proud to partner with Salus Systems to offer a game-changing technology solution to our insureds that can revolutionize the safety culture within their organizations. We believe both the cultural and economic benefits of ZERO® will lead to stronger, safer companies everywhere."

Salus Systems, LLC is a strategic partnership between Everest Reinsurance Holdings, Inc. and Charter Partners that focuses on reducing workplace injuries. Everest Insurance® is the exclusive product carrier and ZERO® is offered as a valued added service to our clients.
