VIA ELECTRONIC TARIFF FILING

OIL PIPELINE TARIFF FILING

The Honorable Debbie-Anne A. Reese
Acting Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Re: Delaware Pipeline Company LLC, Docket No. IS24-____-000

Dear Secretary Reese:

I. Explanation of Local Tariff Filing

Enclosed for eTariff filing pursuant to the Interstate Commerce Act (ICA) and the regulations of the Federal Energy Regulatory Commission (Commission) is the following tariff publication issued by Delaware Pipeline Company LLC (DPC):

Tariff No.	Description	Effective Date
F.E.R.C. No. 3.16.0 (Cancels F.E.R.C. No. 3.15.0 in Docket No. IS23-435)	Local Rate Tariff	July 1, 2024

All rates in the above proposed tariff are increased from the prior tariff rates that took effect on July 1, 2023 in Docket No. IS23-435. DPC is making this filing, in compliance with 18 C.F.R. § 342.3, to index the existing rates. The proposed rate in F.E.R.C. No. 3.16.0 has been calculated in accordance with the “Notice of Annual Change in the Producer Price Index for Finished Goods” (“Notice”), issued on May 15, 2024, in Docket No. RM93-11-000. The Notice requires that the current ceiling levels for FERC oil pipeline tariffs be revised by a positive multiplier of 1.012647. The proposed rate in F.E.R.C. No. 3.16.0 does not exceed the revised ceiling level.

Attached is a summary table for the DPC local tariff rate including the 2023 and 2024 index ceilings, current rate, and proposed rate.

The Honorable Debbie-Anne A. Reese
