Vancouver, British Columbia – Silver Wheaton Corp. ("Silver Wheaton" or the "Company") (TSX:SLW) (NYSE:SLW) is pleased to announce that its Board of Directors has declared its fourth quarterly cash dividend payment for 2014 of US$0.06 per common share.

Fourth Quarterly Dividend

The fourth quarterly cash dividend of US$0.06 will be paid to holders of record of Silver Wheaton common shares as of the close of business on November 26, 2014, and will be distributed on or about December 9, 2014.

Under the Company's dividend policy, the quarterly dividend per common share will be equal to 20% of the average cash generated by operating activities in the previous four quarters divided by the Company's outstanding common shares at the time the dividend is approved, all rounded to the nearest cent.

Dividend Reinvestment Plan

The Company has previously implemented a Dividend Reinvestment Plan ("DRIP"). Participation in the DRIP is optional. For the purposes of the fourth quarterly dividend, the Company has elected to issue common shares under the DRIP through treasury at a 3% discount to the Average Market Price, as defined in the DRIP. However, the Company may, from time to time, in its discretion, change or eliminate the discount applicable to Treasury Acquisitions or direct that such common shares be purchased in Market Acquisitions at the prevailing market price, any of which would be publicly announced.

The DRIP and enrollment forms are available for download on the Company's website at www.silverwheaton.com, accessible by quick links directly from the home page, and can also be found in the 'investors' section, under the 'dividends' tab.
