Amendment to Dividend Policy

The Company has revised its dividend policy, transitioning from distributing 30% of the average of the previous four quarters’ operating cash flows to shareholders, to adopting a progressive dividend policy marked by an increase to our 2024 annual dividend.

The declaration, timing, amount and payment of future dividends remain at the discretion of the Board of Directors. This dividend qualifies as an ‘eligible dividend’ for Canadian income tax purposes.

First Quarterly Dividend

The first quarterly cash dividend for 2024 of US\$0.155 will be paid to holders of record of Wheaton common shares as of the close of business on April 3, 2024, and will be distributed on or about April 15, 2024. The ex-dividend trading date is April 2, 2024.

Dividend Reinvestment Plan

The Company has previously implemented a Dividend Reinvestment Plan (“DRIP”). Participation in the DRIP is optional. For the purposes of this quarterly dividend, the Company has elected to issue common shares under the DRIP through treasury at the Average Market Price, as defined in the DRIP, without a discount.

The Company may, from time to time, in its discretion, apply, change or eliminate any discount applicable to Treasury Acquisitions, as defined in the DRIP, or direct that such common shares be purchased in Market Acquisitions, as defined in the DRIP, at the prevailing market price, any of which would be publicly announced.

The DRIP and enrollment forms, including direct deposit, are available for download on the Company’s website at www.wheatonpm.com, in the ‘investors’ section under the ‘dividends’ tab.

Registered shareholders may also enroll in the DRIP online through the plan agent’s self-service web portal at: <https://tsxtrust.com/DRIP>
