

**US Political Contributions and Expenditures
2024 H1 (January 1, 2024 to June 30, 2024)**

Political Contributions

Match Group did not make any direct corporate contributions to political candidates, parties or committees, groups organized under Section 527 of the Internal Revenue, or ballot initiatives.

Independent Expenditures

Match Group did not make any independent expenditures in direct support of or opposition to a candidate or ballot measure.

Trade Association Dues

Below is a listing of the portion of corporate trade association membership dues paid in 2024 H1 that is non-deductible under Section 162(e)(1) of the Internal Revenue Code for any trade association that received at least \$25,000 in dues from Match Group during 2023.

Organization	Amount ¹
Coalition for App Fairness	\$721,866

¹ Amounts are based on the percentage of dues reported by the trade association as being used for lobbying and political expenditures per the definition at Section 162(e)(1) of the Internal Revenue Code.
